

WAKOOL BURRABOI PS NEWSLETTER

WEEK 10 TERM 3 2011

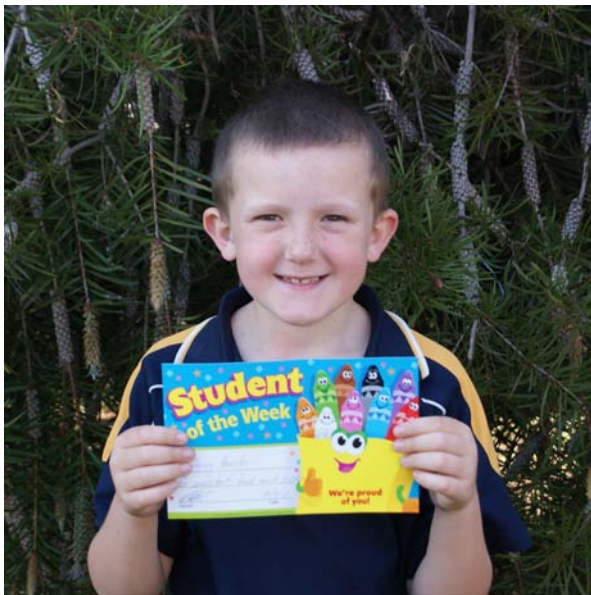

In Brief...

This Week: Year 5/6 Excursion to Canberra & Jindabyne
Mon - P&C Meeting 7pm
Tue - Cathy to Deni for a CAP meeting

Next Week: Holidays! - Staff and Students return to school Mon 10th Oct

Student of the Week

Congratulations this week goes to Darcy Hausler. Darcy has been displaying very responsible behaviour in the classroom and playground. Darcy demonstrates respectful behaviour to adults and his peers and is a pleasure to have in my class. Darcy has been working hard with his literacy and numeracy skills and showing excellent work habits.

P&C Meeting

Please remember to come to the P&C meeting tonight at 7pm.

Afterschool Sport

There will be no After School Sports this week as our program for the term ended with our trip to Barham Golf Club last week. The children had a wonderful time on the golf course and we thank Rob, Tony, Ruth and Irene from Barham Golf Club, for their assistance with the students. We have some budding young golfers in our midst and parents should note that Barham holds kids' golfing sessions each Tuesday at 4pm for primary school students at the golf club. Please contact the club for details.

WAKOOL BURRABOI PS NEWSLETTER WEEK 10 TERM 3 2011

Year 5/6 Excursion

Miss Biti set off with five senior students very early on Sunday morning. The students will travel to Canberra and Jindabyne with Barham, Moulamein, Mallan & Koondrook students. So far the reports are that everyone is having a wonderful time and all is well. They will return late on Friday night, probably very tired, but hopefully with lots of exciting stories to share over the holidays. Miss Biti is able to be contacted on the school mobile if required. Miss Biti will be capably replaced by Mrs Mathers this week.

Public Speaking District Final

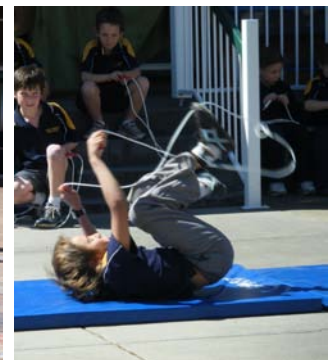

For Sale

Drum Kit - suitable for beginners \$150

Jump Off!

Thank you to all those people who supported our students by sponsoring their Jump Off for the Heart Foundation. The students put on an impressive display of their skipping skills on a very warm day! It was lovely to see so many family members able to join us on the day. Our students have raised close to \$700 which is an extraordinary feat for a small school. If any students still have their forms at home they need to be returned this week.
