17th December
Presentation Night

18th December
3/4/5/6 Swimming &
Movies – Echuca

19th December
Last Day – Students

Hello to everyone in Wakool Burraboi's Learning Community

This Friday all students will receive their end of year Student Report. We encourage parents to file the end of year Report with the Semester 1 Report. Fantastic clear folders were given out in Semester 1; they had student photo stickers on the front. The reporting period marks a new beginning to set goals and reflect on past work habits, achievements, and challenges. Most importantly, it is a time for you to communicate with your children and chose a path for future academic enrichment and social-emotional growth.

Next Monday, 17th of December, is our end of year presentation night. This is the night we celebrate the achievements of our students in 2012. The night starts at 7.00pm and is held in the Wakool town hall. All students from Kindergarten to Year 6 are recognised and though not every child receives an award it is a wonderful night to celebrate 2012 achievements. Families are asked to bring a plate of food to share for supper. We hope to see all families and all students. The students will perform some items they have learnt with their South West Music teachers and class teachers for your enjoyment.

Last week saw the final session of AASC and the students had a lovely time playing water games and having some treats. Thank you to Sharon McInnes, Nikita Lowry and Brody Green who have been fantastic as our AASC coaches. Thank you to all the staff who have helped supervise this year, a big commitment and very much appreciated.

Splish Splash! The K-2 class had a fabulous finish to their infants swimming program. They celebrated on the final day of swimming by having a sausage sizzle lunch and party! Nothing says party like a piñata and the following photos capture all the fun. The school would like to thank Vicky and her family for allowing the children to learn to swim in their home pool. All teachers have been extremely impressed with the behaviour displayed by the students in the 2012 swimming program. Minimum travel and an organised program have helped the students. Well done swimming teachers and infant swimmers. I look forward to the senior swimming session today, in Echuca. The infants have set the precedent.

Have a lovely week.

Carly Doyle
Principal

K/1/2 Swimming

K/1/2 news

Jai was the lucky student to take Macca home on the weekend. He has been getting along well with others and showing respect to his class mates. Jai has been following the school rules and showing such a great attitude towards his learning. Congratulations, Jai! I wonder who will be the last person to take Macca home for the year.

K/1/2 have been getting their hands dirty with a bit of paper mâché. Using a balloon as the base, students have been gluing strips of paper around to turn it into something magical. I wonder what it will be? There are some very mixed responses to having their hands covered in glue.

Year 3/4/5/6 Report

There were lots of celebrations in the senior class this week.

Last Wednesday Des'Lea and Bruce Baxter Jukes received awards at the 2012 Proud and Deadly Awards. These awards are for Indigenous students who have excelled in various areas. Des'Lea received an award for Cultural Participation and Bruce received a Leadership award. It was a very enjoyable morning. A morning tea followed with students, teachers, principals, families and friends celebrating the achievement of these students.

Following the Proud and Deadly awards was the Creative Catchment Kids (CCK) Celebration on Thursday. Our environmentalists, Felicity Macauley, John Paul Landini and Bruce Baxter Jukes proudly shared their entertaining narrative 'Kingston's Journey' with their fellow CCK friends in Deniliquin. They spoke confidently about planning the book and thanked Mrs Mathers, Vicky Lowry, Miss Doyle and Kimberley Macauley for their support in creating the book.

We are very excited to inform you that 'Kingston's Journey' has been published! Copies will be sent home to the families of the authors (the CCK group) and some will remain at school for all to view.
