Cricket Day

Last Monday the school was lucky enough to have John Arthur and Katrina Ives deliver the Cricket NSW School Cricket program to the students. The students were taught bowling techniques and batting skills. A game was held after to showcase their newly developed skills. Fun was had by all.

Foot and Mouth

Is your child sick?

Did you know that there is a 'too sick for school' page on the department's website. This page lists all the common illnesses, what you should look for and what to do if your child has those symptoms.

The information has been provided as a guide by the Department of Health. For example, there has been a few cases of foot and mouth around lately. This is what the fact sheet says about that...

Hand, Foot and Mouth Disease
(HFMD)

Symptoms

Generally a mild illness caused by a virus, perhaps with a fever, blisters around the mouth, on the hands and feet, and perhaps the nappy area in babies.

School or home?

Keep home from school until all blisters have dried.

How can I help prevent spread?

Careful hand washing, especially after wiping the nose and using the toilet, and respiratory etiquette (covering a cough or sneeze and disposing of tissues in a rubbish bin).

Remember, you can let the school know your child is not going to be at school by sending in a note, calling the school or sending the teacher a text message. All absences should be explained to the school within 7 days.

Art Spectacular

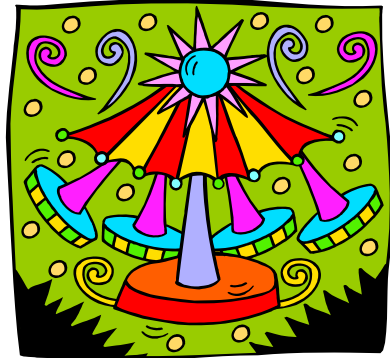

Art Spectacular is on tonight commencing at 7pm. It is a celebration of your child's incredible achievement in Creative Arts throughout the year. All students should arrive 5 minutes early dressed in full school uniform. There will be a chance to have supper together afterwards. Please bring a plate to share.

High School Transition

Today is the last high school transition day for our Year 6 students. The unanimous highlight of their last visit was playing sport with the students who will be in their year next year. The game was a version of dodgeball that had everyone ducking and weaving. The students are coming to their transition days organised with their timetable and equipment required. They have managed their transportation admirably and have been fine representatives of our school.

Wakool Show

There will be **no** Wakool Show next year due to a very small committee left to run it. If you are interested in keeping the show running please attend the meeting being held at the Wakool Club, Tuesday 11 November at 7:30pm. If you are unable to attend please contact Andrea Membrey on 0447 676 116 to express your interest.

Welfare Winner

Our weekly welfare winner for this week was Bailey Pratts- Nener.

Fishing at McLean's Beach

On Wednesday the 19th of November, students from Wakool Burraboi Public School have been invited to participate in a Fishing experience being conducted by NSW Department of Fisheries.

However, to be eligible to attend this excursion **all** students are required to be competent swimmers and they must not have any fish or seafood allergies.

For this reason, as a school group we will be unable to attend.
