Term 4 Week 8 2015

Principal's Report

Last week we started our School Intensive Swimming Program; this will run continue to run for the next two weeks. All students were assessed by the Deniliquin Pool swim instructors on Monday and placed into two different ability based groups. This will ensure that the students get the most out of the program. We are aiming to have everyone confident in the water with skills to ensure water safety. Everyone has been using a mixture of the middle sized pool as well as the big pool. All students have been doing an outstanding job of organising their own swimming gear, packing their bags and following instructions in what was a very busy week. This week we will visit the Deni Stadium after swimming on Monday, on Tuesday have swimming and head back to school, and Wednesday we will have a Chinese lunch after swimming. A reminder to students and parents that participation in the additional activities is reliant upon school rules and expectations being followed.

Thank you, thank you, thank you! For those people who assisted with the Garage Sale / Car Wash on Saturday. To those people who helped with planning, organising, setting up, on the day cooking BBQ, running a stall, in the canteen, washing cars, cleaning up and packing up. It was wonderful to see so many people visit our school and be part of the fundraising event. This certainly has given our school and preschool a very positive image to the community. The winner of the schools fundraising; Lucky Number – Maree Whelan and Lollies in the Jar – Shirley McGregor. The P and C raised \$230 from the lunch canteen and car wash.

Last Friday afternoon I attended the Moulamein PSSA Meeting. Office bearers for the Moulamein PSSA Committee were elected and dates for all sporting carnivals for our district were set between all schools involved. I am now the Vice President of the committee. Wakool Burraboi Public School will host the District Cross Country Carnival in 2016.

This Thursday is the final 2016 Kinder Orientation day. We look forward to having Cooper at school with us next year.

Have a great week!
