Term 2 Week 5 2019

Principal's Report

Thank you to those families that were able to assist with the election day raffle by donating goods, putting the hampers together, and selling tickets. A big thank you to the Pratt-Nener family for their generous donation of the load of fire wood. The raffle was drawn last Friday evening with winners:

1st load of fire wood: Grant Morvell

2nd grocery hamper: Normie Free

3rd grocery hamper: Chey

The P&C raised \$700 from the raffle which is an amazing effort.

This week we welcome Mr Darcy Hausler to our school for his Year 10 Work Experience. Darcy attends Barham High School. He is a past student of Wakool Burraboi PS. We look forward to having Darcy work with us throughout the week.

Permission notes for the District Cross Country Carnival were sent home last week. The carnival will be held in Moulamein on Friday 31st May. Miss Monk will be attending as the supervising teacher. Please ensure permission notes are returned even if your child will not be attending the carnival. School will run as normal for those students that have not been selected to attend.

A reminder that if your child is absent from school, a signed note is required to indicate the reason for the absence from the child's parent or carer. This is a Department requirement. If you would like more information about school attendance please contact the school.

Please make sure your child's school jumpers and hats are clearly labeled with the current owners name. In the past few weeks we have had several hats and jumpers being misplaced. If your child has a school spare hat or jumper at home it would be much appreciated if these could be returned to school.

On Monday 13th May staff attended an evening CPR First Aid course at the Barham High School.

Have a great week!
Lisa Chambers
Principal

Upcoming Events

This week:

Monday 27th

>

Tuesday 28th

>

Wednesday 29th

>

Thursday 30th

> *Principal Network Meeting – Mrs Chambers*

> *SAM Training - Tamara*

Friday 31st

> *Homework Due*

> *Sandy's Lunches*

Next Week:

Monday 3rd

>

Tuesday 4th

> *Mr Bradley*

Wednesday 5th

> *Mobile Library*

Thursday 6th

>

Friday 7th

> *Homework Due*

> *Sandy's Lunches*

Leaving the School Grounds

At the end of the day students are required to line up to leave the school grounds.

- One line is for bus travellers.
- One line is for walkers, riders or people being picked up from school.
-

Teachers walk the bus line out first, to board the bus safely. The other line of non-bus travellers is required to wait, inside the school gate until the bus has left the bus zone.

Students walking are then safely crossed over the road, riders supervised as they leave the school grounds and students being picked up head towards the vehicle they are travelling in.

Please remind students of this. In the past week we have had some walkers, eager to get out of the school grounds before the bus has left. If you are picking children up, please also be aware of these safe school practices.

This was also included in last week's Spotlight.

If your child has alternate arrangements at the end of the day, eg being picked up by somebody other than a parent or walking somewhere, please ensure the school is notified to ensure student safety.

COUNTRY
RUNNERS**

Maths

In Miss Monks maths sessions students have been learning about Three Dimensional shapes. Students have been using 3D models to name shapes, identify attributes of shapes and link these shapes to their everyday lives. Students have also been using the net of a shape to build 3D shapes.

In the classroom...Technology

Students have been utilising technology in the classroom to enhance their learning. Each student has access to a desktop computer with head phones. Students use educational programs such as Reading Eggs, Maths Seeds, Reading Eggspress, Mathletics and Spellodrome. These programs require a login, which the school has purchased for each student. This enables students to engage in interactive learning that is at their individual academic level. Students are able to access these programs at home if they choose to by using either a computer or ipad and their login. Please contact the school if you would like copies of your child's logins to be sent home.

Over the past few weeks students have been further developing their typing skills. This has involved students selecting a piece of their own writing and typing the writing on a computer. Students have then been learning how to save their work and print.

Students each have access to the online Typing Tournament program which develops typing skills.

Sandy's Lunches

AVAILABLE TO ORDER FOR FRIDAY LUNCH

~~Friday 10th May - Steamed Dim Sims \$1.00 each~~

~~Friday 17th May - CROSS COUNTRY~~

~~Friday 24th May - Nugget Wrap \$4.00~~
